# *Message From Our Patron*

*That day of the year 2010 when the seed of doing something new in the field of education germinated in the minds of all the mills and the some germinated seed gradually grew to become a huge tree. Yes, we are talking about our school **Ocean Public School**. We laid the foundation of our school in the year 2011. That year our school ran in a rented building and then next year our school shifted to its own building. All of you parents are witnesses of what we have done in the last 13 years. We and the teachers of our school gave a different identity to the school on the basis of our hard work. We know very well that Education is the most powerful tool for bringing desirable changes in our personality and also for bringing positive changes in our society. Therefore, it is a humble request to all of you parents that no matter how many troubles you face in your life, you must make your children drink the nectar of education. We are confident that you will understand the importance of education and educate your children.*

## *Desk of Principal*

*As I walk down the corridors of the school every day, I hear the excited minds of the most energetic kids that I have come across, I see them every day trying to find their calling, trying to become something, trying to find their way in this world. That makes me realize that we are all here to make a difference to their world to be. We value individualism, creativity and innovation and strive to nurture these traits in our students. Our motto is "Dream, Believe and Achieve." We aim to teach our students to follow their dreams. Our aim is not just to impart knowledge to the students but also teach them that the passion, persistence and hard work are the core of success. We teach our students that honesty, self-reliance and confidence are the pillars of a personality. I am always excited and look forward to working with our students, staff and parents to make **Ocean Public School** the best school. My commitment to our community is to lead the school with enthusiasm and passion to enable us to reach our goals.*

विद्यालय देखाकर मन अति प्रसन्न हुआ। विद्यालय में छात्र/छात्राओं को बैठने की उत्तम व्यवस्था के साथ-साथ प्रशिक्षित शिक्षक-शिक्षिकाओं द्वारा शिक्षण कार्य की श्रेष्ठ व्यवस्था सराहनीय है। आज की आधुनिकता को ध्यान में रखते हुए कम्प्यूटर शिक्षा, योग शिक्षा तथा खोलकूद आदि से सम्बद्धित व्यवस्थाएं भी विद्यालय में पूर्ण उपलब्ध हैं। विद्यालय में स्वच्छता एवं सुरक्षित वातावरण के साथ-साथ बागवानी का भी विशेष ध्यान रखा जाता है। इस युग में शिक्षा जैसे महत्वपूर्ण कार्य को सकारात्मक सोच के साथ ऊँचाइयों तक ले जाना प्रशंसनीय है। मैं पूरे विद्यालय परिवार को इन कार्यों की सराहना करते हुये खुले दिल से साधुवाद देता हूँ।
